San Luis Rio Colorado

By way of introduction -- the young man pictured above, on the left, is Job Jimenez the seventeen year old son of now deceased Rev. Filiberto Jimenez. The man on the far right is pastoral candidate Jesus Jimenez. The 85 year old man in the center is Santos Rios Espino. he is from Fronterizo where san Mateo of San Luis Rio Colorado has a mission. The mission was started in his house 20 years ago.

Job asks for help. Santos is sick. He has a pacemaker, needs some type of truss, has trouble walking so he needs a cane, trouble seeing so he needs a pair of reading glasses, and he can't hear very well so maybe he needs a hearing aid.

Job describes him as being a man of faith. Recently Job gave him a large print Bible. Santos said, "My last days of my life I want to pass reading this wonderful book." Job asks for your prayers and whatever else we can do to help Santos. Job said the truss would cost \$55. He needs a pair of reading glasses and a cane. I don't know anything about hearing aids but maybe someone out there does. Is it possible for someone to use a second hand hearing aid?

Ordination February 11, 2007

this week I received some long awaited good news. Pastor Isaac Guadalupe Garcia Castillo will be ordained By the Rev. Álvaro López on February 11 in Matamoros at the 11 o'clock worship service. The Lutheran Synod of Mexico is holding their annual assembly in Matamoros on February 9-11. Rev. López said that he looks forward to greeting all those who would attend this ordination. He even invited me to participate in the ordination. I'm sure if there are other pastors who would like to participate with the laying on of hands and giving a blessing you would be welcomed. I simply sent an e-mail to Rev. Álvaro López at buenpastor_df@hotmail.com and asked to participate.

For those of you who don't know these people pictured above they are from left to right: Isaac Garcia, their daughter and son, Sarahi and Naftalí, and his wife Yolanda.

Pastor Isaac asked me to invite all the people and the pastors that have helped them over the years. He said that your presence would be a great blessing to them. I'm not entirely sure who has all helped Isaac and Yolanda and their ministries so I extend their invitation to you and would ask you to pass it along to anyone we may have missed.

We purchased four stoles for Isaac. Here is what they look like.

According to Rev. Samuel Perez, Isaac will wear a white alb and a stole that is appropriate for the season of the church year.

We still need a 1992-1997 minivan or suburban for Rev. Samuel Perez. We have set aside \$5000 for this project. We just have not been able to locate a good vehicle.

Keep these people in your prayers.

Check out our website and then pray for these men and women and their ministries.

Please, send any contributions to help in these ministries to:
