San Mateo Missions Report

Greetings in name of our glorious Jesus.

I am so happy to share and communicate to you once again that the Lord keeps working really hard because new souls have been coming to our church. I give Glory to God for this.

I look for your prayers that He supplies what we need for our ministry and churches.

We are thankful to our God because we were able to form a band at our church, San Mateo. Now we can celebrate and sing with joy in the name of Jesus.

We give thanks to lord too because we are trying to form a musical group at Rey de Gloria at Independencia mission. We give thanks to Jesus because He answered our prayers. We received a beautiful accordion to play at that church, glory to Him. Special thanks to the lady who donated our accordion, blessings from our Savior.

This month missions grow in faith and number by the Lord grace. We were working so hard in our city and valley to bring new souls to our Savior. Dear brothers and sisters I look for your prayers and I give thanks to Lord for your contributions, why? Well, without this we can't do our ministry. I pray to the Lord for you, so your love doesn't become cold and we keep receiving your contributions.

Please pray for me. I'm looking for a job, and I pray to Lord that He will give me a job that I need.

I am so thankful to Inez, my sister, because she has been going to Santo Tomas, and giving haircuts. We wait on Lord to provide what we need, like scissors, haircut machine and things like this.

I pray also because my car was failing this month, and it is not very good yet, but I know the Lord will provide money to fix it. Please keep praying about it.

I am really happy because new brothers are having interest to serve God, like Josafat, who is helping our church real mush. Please, pray for him and his family.

I hope you don't forget this. We are planning an evangelism festival at San Mateo, on 13, 14, and 15 of November. We need pray to God because we need to get funds to do this. We want to bring more souls to Jesus Savior from our neighborhood. Pastor Isaac, from Rio Bravo, Pastor Jesus Jimenez, Pastor Martin Hernandez, Josafat, and I will be involved in doing this project. Please, pray and help us.

Remember you are welcome on this date.

I say goodbye, wishing the Lord to keep you and bless you too. Your friend in Christ
Job Jimenez.
