Monthly missions report from San Luis Rio Colorado Sonora, Mexico.

Greetings In name of Jesus.

I am happy again to let you know we are fine and we keep working in our churches. Many good things are happening here. A lot blessings are coming and we give thanks to Lord because He is awesome.

Lord is showing us what to do. We appreciate your prays and your support to keep doing our ministry.

Last month was a full work time. We delivery food to missions station, and gospel to our people. We are having activities on Saturday noon at Saint Thomas Church, Monday at 4:00 pm at Independencia Mission, and Saturday morning at Saint Mathew Church.

We started last month two other activities. On Sunday at 9:00 am. a bible class and Thursday noon prayer time at Saint Mathew Church.

I am praying every morning for the Lord to provide and give His shine to will do our job better than we can. I hope keep having your prayers for this needing.

Last month we built a house for Josafat, and thanks to lord, we are planning to build a second one.

We are praying to will help Josafat, because he is helping me at missions, and he will be studying in future for become a Lutheran Pastor. Now he works in a taxi, and he bought an old car, but now it is broken. He moves in his car to missions and for visit people. If you want to help to fix it, let me know, Thanks!!

Thanks for all of your help and support, I pray all time to our Lord He bless to you.

Especial Needs:

We need your prayers first to will do our work; we have some needing I hope someone can help.

- Some bibles, many people from Independencia are coming to worship. They are new people who don't know a lot of Jesus, and they don't have bibles. 25 bibles.
- Help to fix Josafat's car, 150 dollars.
- Connect electric service at Independencia mission. We don't have electric service at this mission, and we start to work to get funds by offerings from members of that mission. If you want to contribute to do possible, we

appreciate a lot. Cost around 220 dollars, now we have 40 dollars from offerings.

- We are looking too if someone have an old guitar, pastor Josafat knows to play and he is playing at mission with a member who plays the accordion. I gave an old one to him, but it doesn't work anymore.

Last needing is,

- I need repair my car, have some failures at suspension and need a tune-up.

I let you know what we need for someone who wants to help. The Lord provides everything, and on His time. Remember, small things make differences. Thanks for all of your help you gave last month.

God blessings your Friend In Christ.

Job Jimenez.

Fili cleaning trash from kid's room.
