

Greetings in the name of Jesus .

I'm happy to continue to serve the Lord in my city. We are working and making plans to continue the proclamation of the gospel.

Today I am in Rio Bravo , Tamaulipas , I have been for a week, and I'll be here another week . Maybe you ask what I do here ?

I was here last week to attend a workshop called joining Jesus in his mission , conducted by Pastor Greg Finke was great to hear from his mouth the words of Jesus and the mission. The church is not only Sunday, the church is the community where we need to share he gospel , how? being the feet and hands , minds and words of Christ in his mission.

I also had the opportunity to visit my friends in Waxahachie, Texas, Pastor Norman Finke and his family, Mike Shaw and other old friends! Thank God for your lives!

I want to thank God and to KIMA who support us to participate in the workshop. Thanks Pastor Finke to open the doors of your house receive last week.

This week I'll be over here in Rio Bravo , visiting some churches in the region , participating in some worship services and activities , I'm hoping to return home next week. I thank God for the life of Pastor Isaac Garcia who has received me at his home in the company of his family.

Well, you asked yourself what happens in San Luis?

I thank God who continues bringing his love , we are now more of us at the ministry in St. Louis, while I'm away , Guillermo and Jehoshaphat are serving missions in the valley Jehoshaphat, Filiberto, and Saul (my brother in law ) are attending St. Matthew in the activities and services.

Glory to God !!

Now we pray to God to give us wisdom to go beyond St. Matthew to preach the gospel.

I'm happy also because this month we will receive a visit from our brothers of LBCM and Connecting Generations leading by Pastor Don Smidt who comes to work in the construction of a house for a needy family in Mexico, and to finish the second floor of the new classrooms in San Mateo. He asks for your prayers in order to have funds in the future to make a second home in the near future .

I hope when we finish second room start sewing classes to our community, pray to God supplies sewing machines to will do it. We wants to give tools to need alone mothers to they will work to get incomes to sustain their families.

I thank God for each of you for your generous love and support for the work in Mexico , also thank you because my mom was in the hospital two weeks ago , but now she is healthy !

Thanks to the Faith Lutheran Church in Arkansas who helps my mom and me for ministry for a long time! Thank you for take care of her and helps us to work in our area.

Dear friends, God knows people who support our ministry, this month I got a special offering to gasoline to will assist missions in the desert, THANK YOU MY FRIEND IN CHRIST ! This past month we have revisited the mission of Mesa Rica Holy apostle, we did with not enough budget , but God has supplied to be there with our brothers and sisters. Pray for these missions in the desert.

Thank God for Saul and Sofia because they continue serving more than 30 children in the community with a nutritious breakfast every Saturday morning , plus they share Bible stories sowing good seeds in young hearts. Pray that God will supply and we can go to other places in the desert with this ministry.

LBCM THANKS for your support for this project from San Mateo.

God bless your lives and ministries.

Sharing dinner with Youths from Betania Lutheran Church in Rio Bravo.

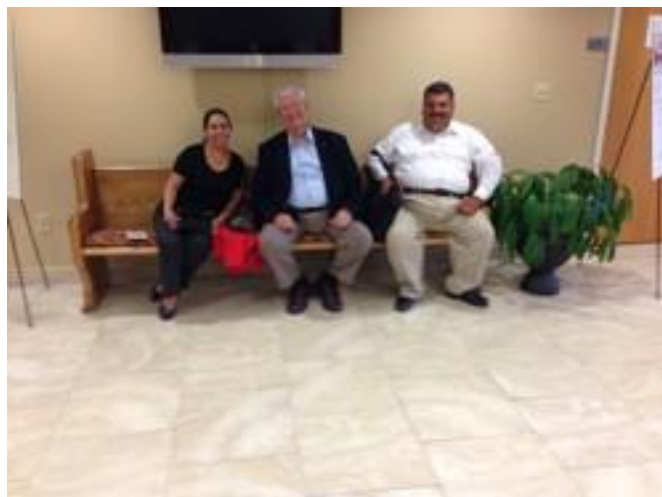

Our Workshop

Joining Jesus on His mission...

Yolanda (Pastor Isaac's wife) Rev. Norman Finke & Rev. Isaac Garcia.
